Coordinator's Highlights

The Countdown Begins!

Our terrific crew of Center Coordinators finally gathered at The Lodge in Detroit Lakes for our M3Huddle presentation on Thursday, April 4 after three weather cancellations. We all worked on improving our programs and new ideas for the summer and upcoming year. I want to thank these folks for taking their time to put kids first!

Hats Off To

Ashley, Deb, Mike, Mary, and Bobbi!

These three SAC students travel to the Tamarac Assisted Living Center 2-3 times each week to assist with duties for the residents, including setting up the dining room for dinner prepping desserts and salads, and light housekeeping duties. In the words of one student, **“I like this! It feels good to help other people!”** Thanks to the 21st Century After School Program for offering this opportunity.
