

Stephen-Argyle Central

Update for Parental Contact Information School Emergency Notification System

If you are new to the district or have contact information that has changed from last year, please fill out this form to be sure we have current information for your family. Only one form per family is necessary. This will be used to update mailing addresses, home phone numbers, cell phone numbers, email addresses, etc. It will also be used for the **SchoolMessenger** emergency notification system, so in order to receive the message regarding weather-related announcements or other emergency situations it is very important that you return this form with updated information. Email addresses have also become another important method of contact with families. Mid-term reports and report cards are shared with parents via email as are other notices sent to families, so it is also vital to update any changes here as well.

Student Name(s): _____ Grade(s) _____
